

Back- and babystay adjusters with handle combine two of Blue Wave's top Marine rigging screws; the Quick Race Tuning and chrome bronze rigging screws.

- Made from AISI 316L material and fitted with a chrome bronze adjustment system.
- Models feature a calibrated scale and a chrome bronze turnbuckle on top for initial tensioning.
- Sizes 6-8 mm available with 7/16 and 1/2" UNF threads.

BACKSTAY & BABYSTAY ADJUSTERS

ART. NO.	WIRE	PIN	UNF	A	B	MIN.-MAX.	BL-KG	KG/100
